BLACK ANGUS BULL & HEIFER SALE

FRIDAY, APRIL 14, 2017 - 1:00 PM -

COWTOWN LIVESTOCK
MAPLE CREEK, SK

Welcome to the 2017

Your Choice

Black Angus Bull & Heifer Sale

Hello again from SW Saskatchewan! If you are familiar with our sale, welcome back! We definitely appreciate your continued support. If you are new to the Your Choice Bull and Heifer Sale—welcome! We are always excited to see new faces investing in our Black Angus cattle and taking them home to do great things in your home herds! With sale time approaching you can bet we've got a great line up of bulls suited to fit everyone's needs!

Everywhere seemed to get an incredible amount of moisture last year ~ which challenged "schedules". Haying, silaging, harvesting ... it was late, as was fall gathers, weaning and getting the calves to market. Heck, it was still raining when the mud was freezing up! I honestly can't remember what we were doing when it was raining but it appears - nothing, as we haven't caught up since! We paid for the late weaning with lower yearling weights but have kept the bulls on a slow, steady gain up to sale time. With that said we are excited to offer the 2016 bull pen to you ~ Your Choice of sound, athletic bull power ...

We have a number of bulls designed for calving ease but with the performance to ensure improved scale weights. These herd bull prospects display an abundance of eye appeal with specific traits that you are looking to inject into your herd. One-third of the offering are recommended for your first calf heifers while the performance end will flat-out add pounds and dollars to your calf check. They are sound structured, honest working bovines that keep us all in the business of rearing cattle without a lot of hassle.

We won't take but a bit more of your time here so you can get right to viewing the bulls and their mamas, sisters and brothers. We would like to mention that the biggest change in the catalogue is that it is no longer set up to the actual sale order. The Sale Order, Weights and SC will be available shortly before sale time.

On the inside back cover you will find a handy-dandy index numerically ordered with the bull's actual tag #s (those recommended for heifers are also highlighted). This year's sale will be live broadcasted by DLMS for those unable to attend.

We welcome your company to look at the sale bulls, cows and walking sires that raised them. Time and distance putting limits on a road trip? Our web site as well as a Facebook presence will help you keep track of the cattle and horses. We hope you can be with us on April 14th. If you are unable to be with us in person, we have a competent support team to help you with absentee purchases.

Thank you to the many customers who have become friends and repeat customers over the years. You have taken the time out of your busy schedule to look through our catalog which is very much appreciated. We look forward to hearing from you and welcome the opportunity to earn your business and truly offer "Your Choice" of Angus genetics.

In loving memory of TOM PEARSON

Those special memories of you
will always bring a smile

If only we could have you back
for more than just a little while

Then we could talk and laugh
again, just like we used to do

You always meant so very much
and you always will do too

The fact that you are no longer
here will always cause us pain.

*You are forever in
our hearts* ... until we meet again

Our Dearest Tom, Brother-in-law and Uncle

INSURANCE:

Insurance will be available sale day, on location from a Blythman Agency's representative. (306) 662-2604

\$100 OFF YOUR PURCHASE:

If you take your bull home the day of the sale upon satisfactory settlement of payment. If you are not ready for them we will gladly take your bull(s) back to the our ranch for you but they have to be insured. After May 1st we will charge \$3.00/day. We ask that you please pick up your bulls by May 31st or contact us to make delivery arrangements. On this same note, we would strongly suggest that the earlier you get your bulls home to acclimatize, the better they do. They get used to the surroundings, the feed and they get down to the job you bought them for quicker.

VIEWING THE BULLS:

The bulls are available for your appraisal at the ranch until Sunday, April 9th. They will be moved to the Cowtown yards mid-week where they will be available for viewing until sale time on April 14th. We encourage you to stop in and take a look at this year's offering, as well as the sires, dams and siblings.

TERMS:

Please register for a buyer number at the office prior to purchasing. All bulls sell under the Terms & Conditions of Cowtown Livestock Exchange. Terms of sale are cash or cheque payable to Cowtown Livestock. No bulls will be released without satisfactory settlement. When making settlement for your purchases, please leave specific instructions for transferring of registration certificates. Any errors discovered in this catalog will be corrected from the auction stand and will take precedence over printed material contained in this catalog. Each animal becomes the responsibility of the purchaser as soon as sold.

BULL EVALUATION / HEALTH:

All bulls will have a complete fertility exam and semen test done by the Maple Creek Vet Clinic prior to sale. Bulls will not be sold on a 'deferred' result. Current weights and scrotal measurements will also be available prior to sale. Bulls have been vaccinated: Trasvax 8, IBR/P13/BVD (Inforce 3/ SomnuStar PH and Pyramid FP 5/Presponse) and pesticide poured. In the event that your bull is a non-satisfactory breeder please notify us immediately. He will be replaced with a bull of equal value or a credit will be given towards the purchase of another Delorme bull. We will not provide replacement or credit for physical injury or mismanagement.

A real tank that has been a favorite of visitors since birth. Very easy keeping, deep bodied, but balanced in his make-up. Hairly and smooth made, but yet still very wide and soggy. Despite his moderate frame, this fellow was a top indexing bull at yearling. Great heal depth. His dam is a powerful cow with a good level udder. We anticipate she will be one of our top producers.

A powerful, soggy, smooth, long-bodied bull with a strong top-line. He hails from one of our top cow families. His Dam is an easy-fleshing, deep-bodied, good uddered cow that did an excellent job on her first calf. 65D was one of the top performing bulls, indexing 112 for WW and 116 for YW and ranking in the top ten. His GrandDam is one of our finest cows; she has raised many top bulls and excellent daughters.

An attractive, long-spined, stylish heifer that easily makes the short list but we can't keep them all! 155D is thick-topped and feminine with loads of hair and represents "the kind" we like to have in our fields. Her Dam, 144Z is a good uddered younger cow whose first daughter is producing for Burnett Angus. 155D is closely related to the next heifer, 210D. Take your pick or take them both.

This female is as broody as they come. She is deep-ribbed, big-topped, and very sound in her makeup. To study her pedigree is to see that she has all the top female producing sires of the breed. Her Dam, 156Z is moderate made with a great udder. Her Sire, 134X sired a top selling daughter to the Richardson's Outlaw Coulee Angus. GrandDam, 7L earned elite status while raising eleven calves in a row. 7L is also the GGD for the 155D heifer above. EPDs in the top: 20% BW, 15% MCE

Another Consensus 112A daughter and patterned so much like her older sister above, that it is hard to tell which one is which. The PGD who raised the 112A sire is a front pasture kind of cow ~ thick, deep and beautifully uddered. 137D's Dam is a moderate-framed, great uddered Thunder daughter out of a very productive Right Way 68S daughter.

A long-spined, thick, deep, powerful heifer yet still displays the femininity and broodiness one looks for in herd improvement. Tour of Duty adds the power while the Eileen cow family and Freedom 92U back her up with maternal and longevity of production. Both the MGGD and the MGGGD have been flushed to add to our program. 184D's maternal brother was high seller of the 2016 bulls!

Commercial Open And Bred Heifers By Private Treaty At The Ranch

COMMERCIAL OPEN REPLACEMENT HEIFERS

Spring Offering of 70 Heifers ~ by Private Treaty

From the Delorme and Wardberg commercial herds is the 31st Annual offering of Black yearling heifers.

Straight Bred Black Angus & Black Simmental/Angus

Contact us for the details

The Black Cow 'is' our commercial herd and has been since 1948, when Grandpa (Ole) Wardberg brought the first to this area. Yes, a few colored ones have come and gone through the second and third generations of the family, but we seem to get along best with the Blacks ~ the type of cattle that are sympathetic to our environmental and industry challenges. You'll have the opportunity to purchase from 70 home-grown Black replacement heifers. This will be our 31st annual offering of *straight-bred Angus* females, all sired by home-raised bulls. 2017 marks the 7th annual offering of the *F1 crossbred Black Simmental/Angus Heifers*. These are also sired by home-raised bulls from Darby and Sarah's purebred Simmental herd. Half of the commercial herd are bred to Black Angus sires, the other half, Black Simmental sires. *Can be packaged in groups of 10 or more per breed sire.* Photos of the Sires, Dams and Heifers are available on our ranch web site.

These fancy heifers will equally represent the two breed sire groups.

BRED HEIFERS FOR SALE

Fall Offering of 10 to 20 Bred Heifers ~ by Private Treaty

F1 crossbred Black Simmental/Angus Heifers OR Straightbred Angus Heifers. In the fall of 2012 we offered our first set of Bred Black F1 Heifers. These heifers were the top-cut from our home-raised group as we work off a straightbred angus cow herd to be able to offer these FI crosses to you. The remaining crossbreds sell as open yearlings in the spring with the straightbred Black Angus replacement heifers. These broody females have been popular and are working great, as they were bred to do.

A fantastic set of females, definitely the front pasture type!
