Your Choice

Black Angus Bull & Heifer Sale

Monday, April 2, 2018 - 1:00 PM - Cowtown Livestock
Maple Creek, SK

Welcome to the 2018
Your Choice Black Angus Bull & Heifer Sale

Hello again from all of us here in SW Saskatchewan! For those of you familiar with our sale, welcome back! And if we are new to your stack of catalogues ~ thanks for giving us a look! We hope to provide a bull or heifer that you can take home and fulfill some needs in your home herd. We've got a great line up of bulls suited to fit everyone's needs; calving-ease for sure, as well as the pound-makers and those that lie somewhere in the middle!

It all begins with the family and the dedication to the operation which started over 55 years ago with the Grandchildren currently registering Angus under our parent's original herd names of Jay En Dee and Prairie Pride. Together ~ we are always preparing for this catalogue; cow photos in the summer, recording weights, comparing females within a cow family and expanding those females that are proven and predictable, analyzing the performance data, visually appraising development of the whole herd ... and cussing ourselves about a cull that was a poor breeding decision. The catalogue hangs over our head every year and as always, we are up against a deadline. The details are put to paper while watching the new calves arrive, picturing the yearling bulls and heifers ... and sneaking in looks to what the broader industry is offering as current breeding bulls ~ some will sire the bulls we'll offer for your appraisal in the 2020 sale! That being said, it is also a time to reflect on the past and appreciate our success and good fortune.

Just like you, whether you are in the commercial or registered cattle business, we work hard to raise animals that can contribute to efficient beef production. Animals that have the "right" look ... big, thick, easy-fleshing bulls and feminine, deep-bodied females with great udders and feet; positive influences on our ranch's finances ... and pride. We take great satisfaction knowing that many progressive cattlemen and women are on our buyer's list year after year. Customers who are able to market their excess heifers as replacements or customers who retain ownership of their calf crop through to slaughter to track the performance side of their herd.

Now lets get to the animals ...

- On the inside back cover you will find a handy-dandy index numerically ordered with the bull's actual tag #s (those recommended for heifers are also highlighted).
- Videos available for every animal via our ranch web site: www.DelormeRanch.ca
- This year's sale will be live broadcasted by DLMS for those unable to attend.
- The Sale Order, Weights and SC will be available shortly before sale time.

We welcome your company to look at the sale bulls, cows and walking sires that raised them. Time and distance putting limits on a road trip? Our web site (www.DelormeRanch.ca) as well as a Facebook presence (@DelormeRanch) will help you keep track of the cattle and horses. We hope you can be with us on April 2nd. If you are unable to be with us in person, we have a competent support team to help you with absentee purchases.

Thank you to the many customers who have become friends and repeat customers over the years. You have taken the time out of your busy schedule to look through our catalogue which is very much appreciated. We look forward to hearing from you and welcome the opportunity to earn your business and truly offer "*Your Choice*" of Angus genetics.

VIEWING THE BULLS:
The bulls are available for your appraisal at the ranch until Friday, March 30th. Then they will be moved to the Cowtown yards where they will be available for viewing until sale time on April 2nd.

TERMS:
Please register for a buyer number at the office prior to purchasing. All bulls sell under the Terms & Conditions of Cowtown Livestock Exchange. Terms of sale are cash or cheque payable to Cowtown Livestock. No bulls will be released without satisfactory settlement. *When making settlement for your purchases, please leave specific instructions for transferring of registration certificates.* Any errors discovered in this catalog will be corrected from the auction stand and will take precedence over printed material contained in this catalogue. Each animal becomes the responsibility of the purchaser as soon as sold.

BULL EVALUATION / HEALTH:
All bulls will have a complete fertility exam and semen test done by the Maple Creek Vet Clinic prior to sale. Bulls will not be sold on a 'deferred' result. Current weights and scrotal measurements will also be available prior to sale. Bulls have been vaccinated: Trasvax 8, IBR/P13/BVD (Inforce 3/ SomnuStar PH and Pyramid FP 5/Presponse) and pesticide poured. In the event that your bull is a non-satisfactory breeder please notify us immediately. He will be replaced with a bull of equal value or a credit will be given towards the purchase of another Delorme bull. We will not provide replacement or credit for physical injury or mismanagement.

COMMERCIAL OPEN REPLACEMENT HEIFERS

Spring Offering of 60 Heifers ~ by Private Treaty

From the Delorme and Wardberg commercial herds is the 32nd Annual offering of Black yearling heifers.

Straight Bred Black Angus & Black Simmental/Angus

Contact us for the details

The Black Cow *'is'* our family's commercial herd and has been since 1948. They are the type of cattle that are sympathetic to our environmental and industry challenges. This will be our 32nd annual offering of *straight-bred Angus* females and the 8th annual offering of the *F1 crossbred Black Simmental/Angus Heifers*. Like the Angus, the F1s are also sired by home-raised bulls from Darby and Sarah's registered Simmental herd.

We do hope to offer a broody package of Breds again this fall. In the past we've selected from a dozen to twenty-five head ... depends on the grass and water situation.

Please visit our web site for additional photos and availability.

These fancy heifers will equally represent the two breed sire groups.
