HOW TO READ THIS INFORMATION SHEET

P/S Column gives information on the horn status of the bull

PP means the bull is **Homozygous Polled** and will not have horned calves even when crossed with a horned cow

HP means the bull is **Heterozygous Polled** and may have a small amount of horned calves depending on the amount of horned or hetero polled cows in herd

P means the bull is Polled **but has not been tested** for the Homo Polled gene therefore may or may not be Homo Polled

Sc means the bull is scurred - **bulls can be Homozygous Polled and still have scurs**

H means the bull is **Horned** - calves out of horned cows will be horned, calves out of polled cows may or may not be horned

COLOR Column gives information on the color

BB means the bull is **Homozygous Black** and will not have any red calves even when crossed with a red cow

HB means the bull is **Heterozygous Black** and may have a small percentage of red calves depending on the amount of hetero blk or red cows in herd

Red / ND means the bull is a **red non-diluter** and will never have grey calves even when crossed with black cows.
